Design & Performance | 19ft Luxury In-Shore Pontoon Boats

Our 19ft Luxury In-Shore Pontoon Boats have been designed to be aesthetically pleasing, comfortable and very smooth on the water. Check out our Youtube channel to see how they glide along. For strength and durability, we build this dual Pontoon Boat with 5052 Marine Grade Aluminium which has very high corrosion resistance. There are also two fully retractable Bimini's overhead so that either half or the whole boat can be shaded. We offer an array of exterior colour choices so even the most discerning customer will be satisfied. In fact, we can manufacture to any colour on the RAL colour chart as a custom order.

Options & Upgrades

We offer motor upgrades from 60hp to 75hp and 90hp for the 19ft Luxury In-Shore Pontoon Boat. Also at the time of order, you can add Hull Antifouling (Paint Protection) as an upgrade rather than the standard aluminium finish. Additionally, the boat can be supplied with a Marine Grade Stainless Steel BBQ, a tether kit with anchor, deck lines, fenders and an in-shore safety kit for 10 passengers which includes flares, jackets, paddles and a fire extinguisher.

Trailer

The trailer is specifically designed for the 19ft Luxury In-Shore Pontoon Boats and meets Australian Standards. It is Hot Dip Galvanised, takes up to 1100kg plus includes a winch, coupler, safety chain and LED lighting.

Motor

We use Mercury motors exclusively on our boats. This motor, even in the 60hp delivers great performance on the 19ft boats. Watch the '60hp Mercury on PPB' on our Youtube channel.
